A screenshot of an Adobe welcome email. The email features the Adobe logo at the top left. The main heading reads "Welcome! Here's how to get started with All Apps – Pro Edition – EDU." A prominent blue button with the text "Get started" is highlighted with a red rectangular border. At the bottom, a section titled "With Creative Cloud, you'll be able to:" is followed by a bulleted list of three benefits: accessing apps and resources in one place, sharing creative elements across teams, and saving assets with cloud documents.
